## Education Profile

# Vision

Ensuring a performance

# Mission

Our goal is to offer top-notch services at the best prices, making us the go-to choice for quality and value.

# Our Values

## **Integrity**

Integrity always with everyone and everywhere. We share a burning desire for maintaining an impeccable integrity in all the facets of our undertakings with our clients and all of the stakeholders...

## **Going Beyond Excellence**

Preparing ourselves continuously & doing all that makes the organizations, people & our stakeholders deliver

## **People Excellence**

Engaging & retaining the best talent for our organization, challenging our people, proving a “can-do” attitude and fostering a synergy based upon mutually supportive environment maintained across the organization

## **Uniqueness**

Uniqueness is a way of doing our every endeavor for our clients & stakeholders. Every client & stakeholder is unique in terms of its existence, challenges, opportunities & the future. Through uniqueness, we aim to bring novelty in our approach for every client & stakeholder

## **Respect for the Individual**

Every individual is unique, we practice respect for diversity & we stay united inclusive of all the diversity pertaining to individual. We are open, collaborative & trustworthy

At Momentum we have achieved commendable corporate success thanks to our decentralized organizational structure, which is applied across all disciplines and regions. organizations to thrive & deliver.

**beyond excellence...**

Momentum is an independent organization with a goal to create positive social change globally. We work with governments, businesses, investors, and development agencies to develop models. These models focus on achieving real-world change through digitization and systems integration in areas such as social, economic, governance, and physical development.

We specializes in providing simple solutions for the complex challenges facing the global economy, particularly in developing countries. We are known for our effective management systems and successful execution of complex projects around the world, including those for leading development agencies and governments.

As an innovative and forward-thinking company, we are constantly exploring new approaches to market adaptation and building staff capabilities to deliver exceptional results. Our core values of Client focus, Clarification, Creativity, Change, Confirmation, Continuation, and Closure make us a reliable and trusted partner. At Momentum, we have achieved commendable corporate success thanks to our decentralized organizational structure, applied across all disciplines and regions.

# Sub Sector

1

## **R&D ON IMPROVING THE SYSTEM OF EDUCATION**

Momentum has significantly contributed to research and development aimed at enhancing access and quality of education at all levels, alongside national education reforms and institutional development.

2

## **EDUCATION POLICY AND LONG-TERM EDUCATION PLANNING**

Our strategic research and policy development focus on delivering quality education and promoting lifelong learning, pivotal for productive employment and decent work.

3

## **ROBUST MONITORING AND EVALUATION SYSTEM**

Our projects feature strong monitoring and evaluation systems, ensuring that project activities are implemented effectively across multiple levels.

4

## **TVET & SKILLS DEVELOPMENT**

Focused on enhancing economic development, Momentum's initiatives in education aim to develop relevant skills for the labor market, emphasizing employment promotion.

5

## **CURRICULUM AND EDUCATIONAL MATERIAL DEVELOPMENT**

Over the past decade, we have developed curricula and educational materials that align with 21st-century needs for various governmental and donor agencies.

6

## **TEACHER TRAINING AND CONTINUED PROFESSIONAL DEVELOPMENT**

Recognizing the critical role of effective teaching, Momentum prioritizes comprehensive training programs for teachers, from pre-employment to on-the-job training, reinforced by rigorous monitoring and evaluation.

7

## **GIRLS' EDUCATION AND LIFE SKILLS FOR YOUTH AND ADOLESCENT GIRLS**

Quality education is crucial for national progress and individual empowerment in the 21st century. Momentum is committed to enhancing education and skills development to foster societal prosperity and social cohesion. Our initiatives focus on meeting the targets of SDG 4 alongside federal and provincial governments in Pakistan.

8

## **EXPERTISE IN COMMUNITY MOBILIZATION**

A cornerstone of our approach is mobilizing communities for the successful implementation of education, literacy, and social programs at the grassroots level.

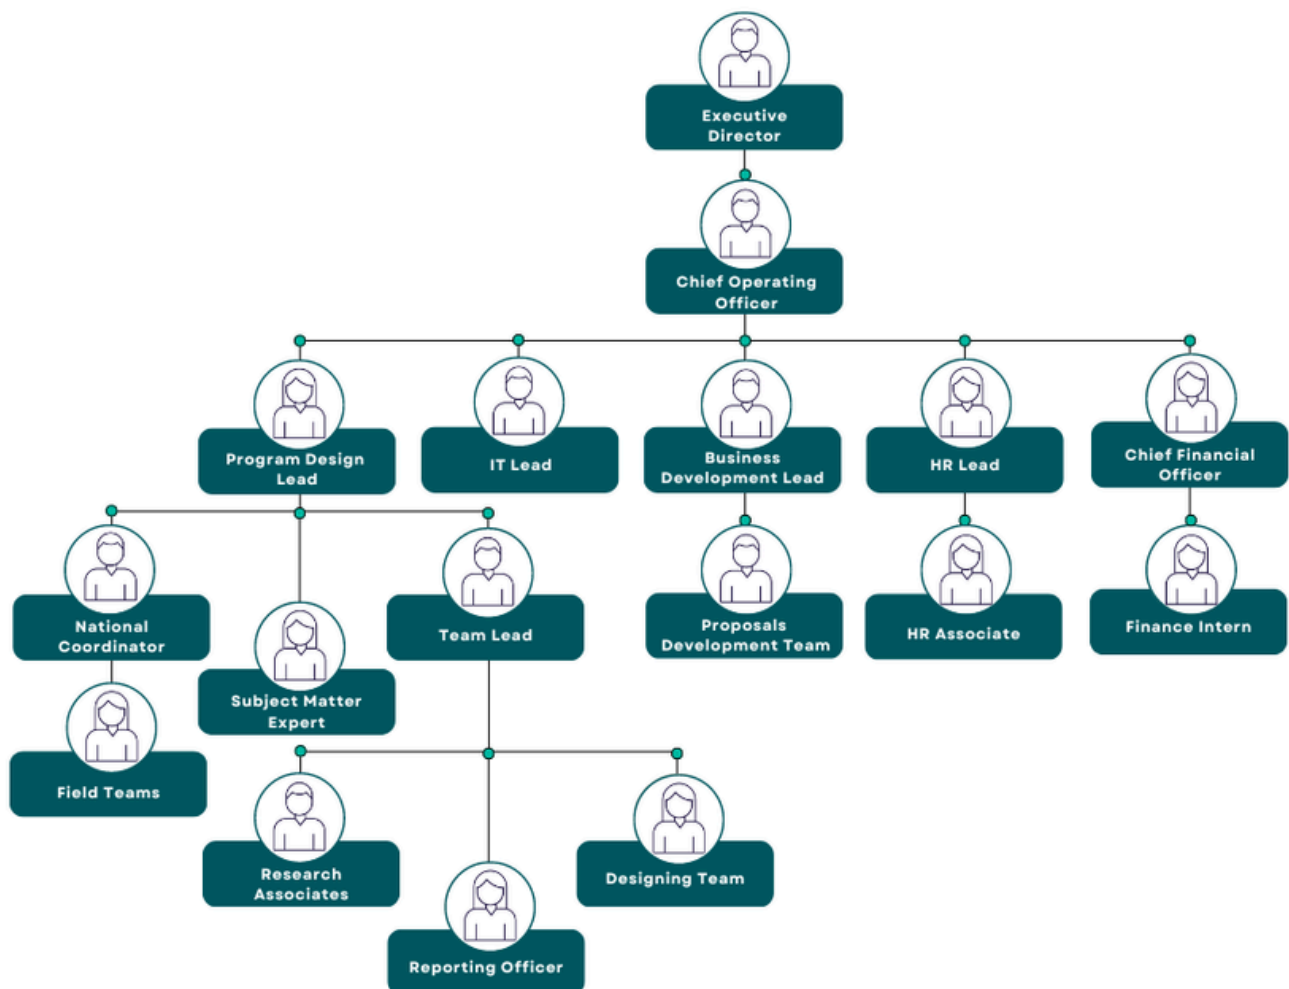

9

## **FORMAL & NON-FORMAL EDUCATION PROJECT DESIGN, IMPLEMENTATION, AND ASSESSMENT**

In Pakistan, balancing formal and non-formal education is essential to achieve the SDG4 targets by 2030. Our strategies and programs are crafted in collaboration with government and international donors, including UN agencies.
